## Lenovo Premier Support

**Dedicated ANZ Based Troubleshooting Lenovo® Premier Support provides ANZ based advanced troubleshooting and end-to-end case management.**

Lenovo Premier Support connects your organisation directly with Sydney-based skilled technicians, who will provide hardware and software support with 'ease' of trouble shooting communication and expediting Next-Business-Day On-site support when required.

To learn more about Lenovo Premier Support download our introduction brochure.

## EARN MORE WITH LENOVO SUPPORT

From October 1st 2016 **Premier Support** has permanently increased the LPA Dollars earned from \$2 to **\$4 LPA** and all other Non-Premier Warranty Upgrades will now earn **\$1 LPA** for services sold.

This applies to all sales of eligible part numbers and is uncapped! There has never been a better time to offer this enhanced service to your customers, on both existing and new hardware. Simply submit your claims on the **Register a Claim** page of the Lenovo Partner Portal by the 15th of the following month to have the dollars loaded onto your LPA VISA card. Please contact your Lenovo Account Manager or [lpa@lenovopartneradvantage.com](mailto:lpa@lenovopartneradvantage.com) for further information.
